

Dear Friends,

We are very excited for the IVV Olympiad to be held in 2011 in Turkey and waiting to host all of you in Antalya with great enthusiasm. The time is running fast and our hard work will continue till the end of the 2011 Olympiad to serve you in the best way providing you a pleasant organization in Antalya, Turkey. We all know that you are wishing to make your bookings as soon as possible. We are very pleased to announce that our routes are determined and the small maps will be available on our web site www.ivvturkey.org very soon. We would like to inform you on the hotels specially selected for the IVV 2011 Olympiad (please see accommodation page). These hotels are the best available and closest hotels to the Olympiad villages, planned routes and the venues where social activities will take place. We recommend you to consider these hotels primarily for your comfort and easy transportation. Shuttle service between the hotels & Olympiad Villages and to all venues including the social events is included in these hotel rates. As we announced on our web site and e-mail notices, the official organizing agency of IVV Turkey Olympiad is Alabanda Co. Inc. It is recommended to contact Alabanda (info@ivvturkey.org) for any needs such as hotels, excursions, restaurants, shopping, etc. Special discounts will be applied for the attendees of IVV Turkey at selected venues during the 2011 Olympiad. Alabanda has made special fare agreements with the major airline companies, you can benefit from these low rates if you book your flights through Alabanda. As Turkey is offering a rich variety of fascinating touristic spots you should consider pre & post tours that Alabanda has prepared for you. Bookings are taken on a "First come, first served" basis. As it is high season in Antalya, it is recommended to make your bookings earlier. For all requests and questions, please contact IVV Turkey organizing secretariat; info@ivvturkey.org

***Looking forward to welcoming you all in Antalya,
IVV TURKEY 2011 Organizing Committee***
